Description

A stylish and very well made pair of Art Deco armchairs in satin birch. They were recently imported from Sweden, they date from the 1920-30's. The quality is excellent, they are well sprung and very comfortable. The sweeping satin birch arms curve beautifully down the the front legs, giving them a sleek and curvaceous look. The satin birch has a lovely colour tone and wonderful grain patterns. We have had the frames stripped and re-polished to a very high standard, and they have been re-upholstered in a cream cotton fabric. The condition is excellent.
