Description

A stunning antique French onyx and gilt metal floor lamp. This was made in France, it dates from around the 1920's. The quality is outstanding, this has a base made from two different types of onyx, there is also a lovely spherical onyx support beneath the bulb holder. There are amazing gilt metal features at the base and top, with three gilt metal supports flanking the painted white iron lamp stand. The condition is excellent for its age, with only some extremely minor surface wear here and there. We have had this re-wired, it is in good working order and we have paired it with a modern oatmeal coloured shade. Width base – 12 inches , 31 cm Width shade – 18 inches , 46 cm Height to socket – 57 inches , 145 cm Height to shade – 64 inches , 163 cm
