Description

Antique Rosewood Single Chain Fusee Mantel Clock By Fisher Old Bond Street Bath. This lovely antique mantel clock has a rosewood case with a beautiful colour and grain. The top of the case is then shaped with turner disks to the front of each round section. The body of the case is then square with lovely turned columns to each front edge as well as the sides and back having glass panels so that the movement can be fully viewed. There is then a moulding to the base which is finished by four small round wooden feet. The dial is then both arched and silvered. It is set out in black Roman numerals with a thin ring of dashes to the outside marking the minutes. The bottom of the dial is then intricately engraved with a scrolling pattern as well as a fruit bowl to the centre. The dial is then signed above the fruit bowl by the maker "Fisher Old Bond St BATH". Finally the dial is finished by two shaped hands as well as a protective glass set into the door. The movement is then wound from the front and accessed from the back. It is ticking away as it should and comes complete with its regulating pendulum, winding key, and travel nut. The movement is then a chain fusee examp...
