Description

A well worn antique Afghan Baluch rug. 193 cm by 108 cm. Worn and without holes perfectly suitable for a trunk type coffee table as the surrounding colour and pattern is good. Lots of photos showing its condition and colour well, some shown in unfavourable light. Some edging missing (stitched) but the lattice pattern can be seen. Ideal for a country house where perfection doesn't fit well. It is clean. The wear would suggest it was made before 1900. 193 cm by 108 cm OVERSEAS buyers please ask for shipping costs before purchasing.
