Description

This is a beautiful antique Victorian sterling silver dressing table mirror measuring 12" (30 cms) tall x 9" (23 cms) across and hallmarked for London 1887 with the silversmiths mark for William Comyns. It has superb pierced decoration all round the heart shaped mirror and along the bottom there is a pair of knights either side of a knights head all in super condition with no damage. It has the original bevelled mirror which has some minor silvering loss (see photos) but is in generally good condition and the back is faded but works perfectly well. This lovely mirror will come with a certificate of authenticity. Free worldwide fully insured shipping
