Description

Here is a wonderful Chrome plated fireside companion box in all its art deco glory! The metal box is finished in planished chrome, with the application of a chrome front motif, and two heavy duty ring handles to the sides. Sitting on four chrome ball feet, the box stands 31cm high, 32cm wide and is 29cm deep. It's in good condition, but does have the surface wear commensurate with its age, so please check the photographs to make sure that it's for you, but I hope as the photos show, it really is a very handsome piece of pure art deco joy. Please don't hesitate to contact me if I can provide any further information, or photographs. I offer free postage throughout the UK, and am very happy to help with quotes for shipping abroad.
