Description

Size: 6ft 11in x 3ft 2in (212 x 97cm). Antique Caucasian prayer rug, Karabagh region of scarce design. Circa 1880. A superb example of a Caucasian Armenian prayer / altar rug with very scarce design. The rug is of a compartmented design with the mihrab at the top, below this are three compartments containing large 'bird head' medallions with the lower compartment with design elements related to the tree of life. Each compartment is divided by a band of floral rosettes. The rug is framed by an ivory ground border of the so called 'Jerusalem' design. This is an interesting rug worthy of further study to understand fully the iconography and also its intended use given the rather unusual size. The rug is in excellent condition with even wear and medium/low pile. The rug is suitable for light domestic use. The rug has been hand washed and is ready for use or display. This rug is a superb display item and would make a great wall hanging. Stock Number: AOR-116.
