Price

Sold**Item Reference: SA1029131****Date of manufacture: Before 1700**

Description

A genuine Ancient Bronze Viking Bracelet dating to the 8th to 11th century AD . A rare and genuine ancient bronze Viking bracelet. Exquisite decorations around its outer surface, this bracelet is a fantastic example of the craftsmanship and artistry of the Viking era. Originating from a private collection of Finnish finds on and around the island of Langnas, this artifact holds a rich historical significance. Dating back to the 8th to 11th century AD, it offers a glimpse into the cultural heritage of the Viking people. Certificate of Authenticity Measures 6.5 cm
