Ancient Viking Bronze Chain / Amulet 8th / 11th Century AD

Price

Sold**Item Reference: SA1029174****Date of manufacture: Before 1700**

Description

A Genuine Ancient Viking Bronze Chain and Bowl/Cup Amulet . 8th to 11th century AD . The chain measures 22 inches. The bowl amulet was associated with and often worn by a Volvo, dating back to the 8th to 11th century AD, and was discovered in County Antrim, Ireland . Preserved with its original patina. The Volvo, witch, or sorceress was associated with magic, prophecy, and the spiritual realm. In Viking mythology, a Volvo was believed to possess mystical powers and was respected within their communities. This extraordinary artifact hails from a time when the Vikings were present in Ireland. Known for their seafaring prowess and exploration, the Vikings arrived in Ireland during the early medieval period, particularly between the 8th and 10th centuries AD. This rare find offers a glimpse into the cultural exchange and interaction between the Vikings and the local population. It serves as a tangible link to the past, providing insight into the lives and beliefs of those who lived during this fascinating period in history. Owning such a remarkable piece of Viking history is a privilege. This Viking Bronze Chain and Bowl Amulet is a truly unique and extremely rare artifa...
