Description

Victorian 19th-Century Carved Mahogany Three-Piece Salon Suite. Victorian era with this exquisite three-piece salon suite, a testament to the craftsmanship of the 19th century. Comprising a three-seat settee and two open armchairs, each piece is adorned with intricate floral and foliate carvings, and the scrolling frames add a touch of grace to this ensemble. This salon suite captures the essence of Victorian opulence, known for its elaborate designs and attention to detail. The mahogany construction exudes warmth and richness, setting the stage for a truly luxurious seating experience. The set includes a generously sized three-seat settee and two open armchairs, providing ample seating for a sophisticated salon or living space. The thoughtful design ensures both comfort and visual appeal. Each piece is adorned with intricate floral and foliate carvings, showcasing the skillful craftsmanship of the 19th century. These details add a layer of sophistication and charm to the suite. Scrolling frames on the settee and armchairs contribute to the graceful silhouettes of each piece. The curves and contours of the frames enhance the overall aesthetic, creating a harmonious bl...
