Description

A rare highest quality French solid silver and enamel table box. It is hallmarked with two boars head silver marks and a makers mark FS. I would date it to c1900-1920. It has been beautifully made having a green guilloche enamel lid and is internally gilded. It is in superb condition being free from dings splits chips cracks and repairs. It measures approx. 2.5 inches (6.5cms) across by 1.25 inches (3cms) tall and weighs 86 grams. A superbly made high quality piece - about as good as you can get.

Internal Ref: 33072
