Description

A superb large 9ct gold bloodstone set signet ring hallmarked Birmingham 1967. Size S 1/2 This classic style ring features an oblong bloodstone with rounded edges set in a chunky yet very smoothly rounded setting. The bloodstone is shot through with flecks of red, and is a deep green brown. (The bloodstone shows more green in certain lights but this proved hard to capture in the photographs.) A classic vintage style ring, with plenty of substance! In great pre-owned condition.
