Description

A lovely quality carriage clock presented in pristine condition throughout. The brass case has been cleaned and lacquered to prevent future tarnishing. It is much brighter in real life than our pictures portray, as although we are very good at clocks we are very bad at photography. All glasses are bevelled and totally free from any chips, cracks or scratches. Again, the white enamelled dial is in pristine condition with no chips, cracks, or crazing. It has black Roman numerals and beautifully refined hands. The 8 day movement has just been fully cleaned and serviced by our BHI registered horologist and carries our usual 12mths full parts and labour guarantee. Fully opening front and rear doors. The dimensions shown are with the handle down. Complete with original winding key. All cards accepted.
