Description

A smart and very useful antique mahogany console / side table. This was made in England, it dates from around the 1930's. The quality is excellent, this has beautiful flame mahogany grain patterns and fine carving on the edges. This has a cross banded top, it sits on grooved, tapered legs that terminate in spade feet. The drawers have lovely brass ring pull handles, fine hand cut dovetailed joints and felt lining. We have had this recently re-polished, the condition is excellent for its age.
