Description

A good looking pine bedding chest in tidy condition from the 19th Century. This box is a good useable size and the sort of item that can fit in almost anywhere, from a bedroom to a hallway to a sitting room etc. The inside has the little candle tray or trinket shelf, whatever you might like to use it for, unlikely to be candles these days perhaps. This chest is finished in cabinet makers sanding sealer and final finish of beeswax,. Keenly priced we feel for this neat item which is very original, right down to the lovely hinges and lock which are still in place. Give us a cakk if you would like to discuss 01565 874075
