Description

A good quality and very decorative still life oil on board dating from the late 19th / early 20th Century. It is well painted and features pineapple and grapes. It is framed in a good quality ornate gilt frame. The painting is in good original condition. There are some minor signs of age and some light surface marks but nothing detrimental. There are some losses and small damages around the frame and it has been repainted at some point but it displays well. The painting has been lightly cleaned and is ready to hang. The best description comes from the photos so please look at them all carefully and if you have any questions just ask. Tracked UK Delivery £30
