Description

19th Century French Louis XVI Gilt Bronze and Ormolu Fire Fender 19th-century France exquisite Louis XVI gilt bronze and ormolu fire fender. Crafted with meticulous attention to detail, each end support features putti reading on scrolling foliage, creating a scene of timeless beauty and sophistication. This fire fender embody the refined aesthetic of the Louis XVI era, characterized by neoclassical motifs and a commitment to graceful proportions. The gilt bronze and ormolu detailing reflect the opulence synonymous with this period. Each end showcases charming putti figures engaged in the act of reading, adding a touch of whimsy and classical elegance. The scrolling foliage enhances the overall visual appeal, creating a harmonious blend of form and function. Height 61cm x length 122cm
