Description

A beautiful antique mahogany serpentine cabinet in the Georgian style. This was made in England, it dates from around the 1900-1910 period. It is of superb quality and has a gorgeous design. The panelled door has lovely carving, there is further crisp carving on all the edges, this sits on cabriole legs terminating in claw and ball feet. The colour tones and mahogany grain patterns are stunning throughout. We have had this recently re-polished, the condition is excellent for its age, with just some extremely minor wear remaining beneath the polish here and there. Width – 44 inches , 112 cm Depth – 20 inches , 51 cm Height – 36 inches , 92 cm
