Description

This well-drawn ENGLISH PEARLWARE BLUE & WHITE POTTERY JUG stands approximately 9.25 inches (23.5 cm) high and dates from circa 1820. The transfer print is clearly defined and a good, strong colour. The two trees hung with Chinese Lanterns are particularly attractive. A beautiful JUG, which, considering its size and age, is in very good condition. There is an old surface chip to the rim and a short hairline on the bottom edge which does not go through to the inside. There is no restoration. Height: 9.25 inches (23.5 cm) Express delivery within the UK is included. We ship Worldwide and are happy to quote for Overseas Shipping on request.
