Description

Set of 4 Framed Tapestry Wall Panels c 1920 Sepia Tone European c 1920 Set of 4 depicting bucolic and romantic scenes Sepia on gold in tone These are a delightful set of 4 framed Tapestry Wall Panels dating back to the early 20th century circa 1920 and represent bucolic and romantic scenes to perhaps remind us of simpler and earlier times. The panels are all different but make for a lovely collection either placed side by side or as pairs or even if joined together to form a privacy screen or room divider. Three of the frames are similar and one is slightly different but they form a charming group.
