Description

Superb large American solid sterling silver salad servers. They are hallmarked STERLING SILVER along with the makers marks of Gorham Manufacturing Co and English import marks for Birmingham 1911 & 1913, clearly imported in different batches to their British factory before being put together as a set. They have beautiful Art Nouveau design and are in superb condition having no dings splits distortions or repairs. They measure approx. 8.5 inches (21.6cm) long by 2.5 inches (6.4cm) wide and have a heavy combined weight of 154 grams. A very high quality set.
