Description

A fantastic pair of antique yew wood side cabinets. They were made in England, they date from around the 1920's. The quality is outstanding, they are beautifully designed and are a useful size to be used as bedside cabinets or occasional side cabinets around the home. They have pie crust gallery tops, the top and lower tier both have cross banded edges. The top is connected to the base by a lovely lattice frame, the lower section has lockable doors and sits on splayed bracket feet. We have had these recently re-polished, they are in excellent condition for their age and retain a gorgeous patina. Width – 24 inches , 60 cm Depth – 15 inches , 38 cm Height – 30 inches , 75 cm
