

SA1031361

Satinwood mantle clock

Price

GBP 120

| USD \$162 | EUR 141

Item Reference: SA1031361

Date of manufacture: Edwardian

Description

A good example of a very attractive Edwardian mantle clock, the satinwood case inlaid with mahogany panels, and bordered by herringbone stringing. The 8 day Swiss timepiece movement, enamel dial, 3 mm chip to extreme border above XII. Perfect working order. Case almost like new.
