Description

A super silverplated dish, wonderful quality of course to be expected by the esteemed Tiffany of New York. The underside is signed Tiffany & Co., Makers, Silver Soldered, and I believe this pattern number to date this piece to the late nineteenth century. The underside was once also personalized with an engraved name "Drew". The dish is wonderfully heavy with a highly decorative border incorporating a variety of floral and foliate designs and also some fruits. Excellent condition, measuring 12 1/4" x 9 1/2".
