Description

One of the best 17thc oak gateleg tables I have bought in over 26 years of dealing....it is of a generous size to seat six people very comfortably....with a wonderful thick topall the feet, hinges, drawer and stretchers are all original and if that is not enough , it has gained a superb "honey" colour from years of careful use in the manor /farmhouse....a real collectors piece....and you couldn't start to make a table of this quality, all handmade out of "English" oak for this price....plus you would have to wait 340 years to get this wonderful colour....they don't come any better..! English. C1660-80.
