Description

A good 19th Century very ornate tray with a mirrored surface. Standing on four outswept feet and lavishly decorated allover with swags and foliage, this tray is probably French. There are no losses to the silver or mirror and the whole is in very good condition. The wooden under surface which holds the glass has new fixing screws for safety reasons. A quality piece which is very heavy (7kg) and substantial. We can deliver free of charge in UK mainland and can calculate the cost for International delivery.
