Description

An absolutely stunning and extremely well made Art Deco burr walnut chest of drawers. This was made in England, it dates from the 1920-30's. The quality is exceptional, this has incredibly beautiful burr walnut grain patterns and a gorgeous colour tone. The pierced metal handles are also of very fine quality, with very intricate details. This has a slightly recessed top with a slim drawer, the drawers below are all generous and run very smoothly, with fine, hand cut dovetailed joints. We have had this stripped and re-polished to a very high standard, the condition is superb throughout. Width – 76 cm , 30 inches Depth – 53 cm , 21 inches Height – 98 cm , 39 inches
