Description

A real country house piece. There is lovely black line Greek key inlay detail on the top and the front and back. There is a fitted drawer on one side and an ordinary drawer on the other side meaning that the table is entirely reversible and a drawer can be accessed from front and back. It has been through our workshop and is in excellent robust condition. There are a few old repairs but they are all sound. The top has the original finish and is slightly faded but it's a uniform colour and looks good. The pedestal is wonderful and has 4 outswept reeded legs that terminate in hairy feet casters. A great piece The measurements below are with the flaps down. With the flaps up the width is 153cm
