

SA1031984

David Anderson silver and enamel dish

Price

Sold**Item Reference: SA1031984****Date of manufacture: 1900**

Description

A beautiful blue enamel and silver dish, probably for salt. The blue is so vivid and in great condition. There is a small area of missing enamel from the decoration on the top border, please see photograph. The mark on the back was used from 1888 - 1925. As this is 925 silver presume this is early 20th century. Diameter 5.3 cm Height 2.3 cm
