Description

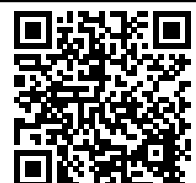

A wonderful antique Victorian portrait of a gentleman oil painting. This was painted in England, probably around 1860-1880. The portrait is beautifully executed and is an impressive size. The painting has some crazing and surface wear, seen in the images, giving this plenty of charm. It is mounted in a more modern frame in the antique style that probably dates from the mid-late twentieth century. The frame is of superb quality, is in excellent condition and is very in keeping with the style of the painting. Width – 27 inches , 69 cm Depth – 2 inches , 5 cm Height – 31 inches , 79 cm
