Item Reference: SA1032202

Date of manufacture: 1920

Description

A beautifully detailed French gilded bronze letter opener signed A Gangand. I believe this may have been designed and made to commemorate WW1 and is circa 1919. The design is made up two swords (bayonets) one down each side, a military hat towards the top (Kepi) and intertwined with leaves. Signed to the reverse. Excellent condition.
