Description

Striking pair of half-length portraits prints with hand painted detail in glazed gilt frame. The portraits show a prosperous looking man sitting near a desk and a charming looking woman sitting in her finery. The decorative frames show some damage giving them an appealing distressed look. Stuck on the back of woman portrait there is a receipt dated 1883 also written on the back "Kindly alter this, let us have___?___ for certain by Monday" A very attractive pair that will add a superb touch of history to any wall.
