## Description

A beautiful pair of antique French carved walnut foot stools, which I would date from around the 1920-30's period. They are of excellent quality, the bases are solid walnut with crisp and intricate floral carving. The condition is lovely for their age, the bases have some minor wear and a lovely patina. We have had these re-upholstered in our cream cotton fabric. Width - 15 inches , 39 cm Depth - 12 inches , 30 cm Height - 10 inches , 25 cm
