Description

This design is rarely found by an English manufacturer, these were more commonly made by the American maker, Napier. The arrow points to the desired cocktail and the ingredients required appear through the series of windows; often described as "Tells you How" cocktail shakers. This example is lovely quality in silver plate and gold plate, having been made by the world famous silversmiths, Mappin & Webb; clearly made for their Paris branch; marked Fab. Anglaise (Made in England). Just back from our silversmith's workshop where it has been professionally refurbished, restoring to it's former glory. A superb and rarely found collectable dating to the Art Deco era, c.1930's. 10" tall x 3 7/8" in diameter. Item: 44298 FREE Worldwide Registered Airmail Directly From the UK
