Description

An unusual, very well made and extremely impressive Art Deco rosewood coffee table. This was likely made in France, it dates from around the 1920-30's. The quality is amazing, the large circular top has beautifully inlaid patterns of rosewood, the base is also veneered in rosewood, all on a solid wood construction. This has a stunning and very practical design. We have had this recently stripped and re-polished to a very high standard, the condition is superb throughout.
