Description

This is a very charming and characterful antique Karabagh runner carpet from the South Caucasus which dates from around 1900. The runner has a typical design featuring a terracotta field of 10 memling guls and colourful stylised flowerhead borders with skittle guard stripes. The colour palette is subtle and attractive and softer because of its years. The runner is in good condition with a little wear to both ends and the pile has a light even wear as per its age. This has a great antique appearance and measures 285 cms by 98 cms. UK delivery is £20 or you are welcome to call and collect.
