Description

A beautiful mahogany chest of drawers dating from the mid to late 19th Century. Excellent quality and very well made with a lovely patina and attractive flame mahogany drawer fronts. It has its original turned knobs and turned bun feet. The drawers are oak lined and made with very finely cut dovetails. It is in good condition for its age. The drawers open well and are generally clean and tidy inside. There are the usual small signs of wear, some minor marks on the top and some small repairs here and there but nothing detrimental or untoward. It has been cleaned and gently polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
