Description

An unusual oak fold over coffee table with a small drawer and recessed military style brass handle. It stands on square legs and the rear leg hinges outwards to support the top. It was more than likely a standard table which has been reduced in height at some point but it is well balanced and makes a super coffee table. It is in good condition for its age and displays well with a nice rich colour. There are some signs of age and use, some light surface marks, knocks and stains but nothing detrimental. It has been cleaned and gently polished and is ready for use.
