Description

An unusual arts and crafts style coal bucket dating from the late 19th / early 20th century. It is made from steel with copper rivets and an applied handle. It is good quality with a rolled rim and unusual strapped detail around the base and sides. It is the perfect size for a coal/kindling bucket. It is in good original condition and displays well with a nice aged patina. There are no major damages, splits or holes. There are some minor dinks and dents and signs of age and use but nothing detrimental. It has been lightly cleaned and polished and is ready for use. Approximate Measurements : Height : 17" / 43cm with handle Height : 9 1/2" / 24cm Width : 15" / 38cm Depth : 10" / 25cm The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
