Description

Registered on the base, this set of fine postal scales is dated 1888. It still has the original set of weights and clear visible postal charges. The scales and weights are in very good condition and they have been polished but not lacquered. On the front of the base is what appears to be the face of a lion, seen clearly in Photo 4. The scales measure 22cm across, 18cm in depth and the height to the scales is 10cm. Postage and packing for the UK mainland is included in the price, and for outside areas or delivery abroad please contact us for a quote.
