Description

A wonderful pair of wooden candlesticks, always a winning combination, polished Oak and brass. The English Oak has been skillfully carved in a spiralling barley twist design. The cast brass tops in the form of Scottish thistle form, protect the wood from hot wax drips, the brass re-polished to gleam. Dating to around 1900, they both remain in excellent condition, measuring a more unusual smaller size - 8" tall with a base diameter of 5".
