Description

Here, we have an Antique gold-cased watch key fob pendant. It features a bloodstone agate and a chalcedony on either side cut into a star-like shape. The watch key features beautifully engraved detailing with floral motifs and would look brilliantly attached to your favourite chain. Originally used to wind up a pocket watch, this would now look great worn as a pendant on a chain around your neck. These would make a wonderful gift or a great addition to any collection. METAL Gold Cased STONES Bloodstone Agate Chalcedony MEASUREMENTS Watch key measures 3.1cm x 1.1cm Stones measure 7mm x 7mm WEIGHT 2.87 grams CONDITION This Antique watch key remains in very good condition for its age. The stones are secure and free from any chips with just some light surface wear. The engraving and body of the watch key are in good condition, too, demonstrating excellent craftsmanship and giving them a robust look. This charm would make a lovely addition to your antique collection.
