Description

A lovely Victorian Walnut Ottoman very much in the manner of Holland & Sons. Having ebonised decoration and with pierced fretwork panels contrasting nicely against a green velvet. Cope & Collinson Brass Hinges. Finished with inset ceramic castors. An extremely well made and solid piece of seating with the added benefit of ample storage. An ideal piece for a bay window or positioned at the end of a bed. Wear commensurate with age with a few pieces of fretwork missing but nothing that detracts from this quality piece.
