Description

This is an incredible example of a wristwatch by the world famous Swiss maker Rolex. This is the Precision 1310 model from 1954 all original and in lovely slightly aged condition. The case is 21mm in diameter without the winder and made of polished stainless steel. We have fitted a good quality chestnut leather strap or we can fit another colour of your choice. It has a the rare 1310 manual winding movement with peacock blue seconds hand. The movement has just been professionally serviced and comes with a 1 year warranty. The glass has been replaced and is in perfect condition. Just a nice classic vintage Rolex
