Description

Royal House Antiques is delighted to offer for sale this very significant, original fully stamped 1965 Fritz Hansen, completely restored egg chair with matching footstool. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote please send me your postcode and I'll provide you with the exact price. I have another pair of these listed under my other items, they are from July 1968. Where to begin! If you are looking at this listing then the chances are you know how rare and important this pair is, they have been on a journey of restoration which I'll talk you through. The chair comes complete with the original Fritz Hansen stamp which dates the piece to January 1965. The original leather hide had faded back to the pre-dyed colour, as such I sent them to my leather polisher who was trained by Ralph Lauren when they rolled out their "at home" division across Europe, Ralph taught him how to restore and colour old leather using traditional techniques. This pair have been washed back and hand-dyed six times, antique shaded then sealed, waxed down and polished again...
