Description

A French art nouveau copper ink stand that dates to around 1900. In great original condition....it has not been polished or restored and the inkwell lid is in perfect working order. With a strong sinuous design of plants and flowers...very indicative of the period. Has a foundry number on the underside and has great patina and colour. A very nice item for a discerning collector. It measures 14 inches wide, 9 inches deep and 3 inches high. Delivery to the UK is free, if you require a price to ship overseas.....please contact me for a quote.
