Description

A beautiful Art Nouveau style silver plated dish by WMF dating from the early 20th century. It has stylised trailing branches and berries around the edges of the dish and the handle is in the form of an elegant lady. It is fully stamped on the reverse with the WMF logo and model number 191. It is in excellent condition for its age. There are a few minor surface marks, tarnish and some minor signs of age and use but nothing detrimental and it displays beautifully. It has been gently cleaned and polished and is ready for use. The best description comes from the photos so please look at them all carefully and if you have any questions just ask.
