Description

A fantastic original Art Deco period copper desk lamp. This was made in England, it dates from the 1930's. It is beautifully made from patinated copper we believe, though it may be brass with a very heavy patina. Either way it is a fabulous item, with an adjustable goose neck and nice stepped base. We have just had this re-wired, it is in good working order and lovely condition for its age. Width – 14 inches , 36 cm Depth – 7 inches , 18 cm Height – 14 inches , 36 cm
