Bronze "Starfighter" Pendant.

Price

Sold

Item Reference: SA1034845

Date of manufacture: 1960

Description

Lapponia flame bronze pendant/necklace. "Starfighter" These abstract and mechanical inspired bronze pieces were designed by Bjorn Weckstrom in the late 1960s, and were only produced for a short period, making them quite rare. This stunning pendant with blue enamel finish measures 6.5cm x 4.6cm. The adjustable chain is 68cm long. Total weight 64.6g. Superb condition.
