Description

This is tiny! An antique solid sterling silver novelty pin cushion, fashioned as a miniature swan. It is hallmarked on the side for Birmingham 1909 and whilst the maker's mark is incredibly small, it is almost certainly for Levi & Salaman. It is only 2.5cm in length. It looks to be the original blue cushion. The detailing is wonderful - fantastic feathers and a graceful neck. Lovely! Complimentary gift wrapping is available on request. Post and packaging are free within the UK. Overseas buyers please e-mail for postage costs and please note: Import duties, taxes, and charges are not included in the item price or shipping cost. These charges are the buyer's responsibility. Please check with your country's customs office to determine what these additional costs will be prior to buying.
